## Splash of Red Ball 2012 - Rescheduled to 14 June 2013

In the 5 years that we have been running the Splash of Red Ball, as a charity we have grown significantly. This growth has come about from the long term support of many families, friends and businesses.

Our passion for raising the much needed funds for our benefactors research and bereavement support programmes has not changed. But we felt that our fundraising activities needed a fresh, new and different approach so that our many supporters could see the multiple ways we can have fun whilst raising those funds.

Therefore it is with some regret that we have made the difficult decision to NOT hold the ball this year only. We will be holding the ball again next on **Friday 14th June 2013** - lock this date in.

Please join us at our next and exciting event:

On behalf of the entire Splash of Red Committee we say a huge **THANK YOU** for your contributions over the past few years, and wish you good luck Kristina, we look forward to seeing you as a guest at our functions.

Just as important are updates for everyone on how our beneficiaries are using the funds we are directing towards the various Splash of Red Programmes within their organisations.
